Personal data we collect

As we provide value-added services to you, whilst operating our business we will collect your personal data from a variety of sources including:

- Data that you provide to us; and
- Data that we receive about you from our business partners, public sources, and certain third parties.

We will need your personal data if you would like to purchase our products and services.

Cross-border transfers

Your personal data may be processed both inside and outside of the Kingdom of Thailand and European Economic Area (EEA).

Whenever we transfer your personal data outside of such territories to other Allianz Group companies, we will do so on the basis of Allianz' approved binding corporate rules (BCRs). Where Allianz' BCR do not apply, we take steps to ensure that personal data transfers outside of such territories receive an adequate level of protection.

Personal data uses and sharing

We will collect and process your personal data based on your express consent (but only if we need this) for a number of purposes, including:

- Entering into or administering contracts with you;
- Informing you of products and services which may be of interest; and
- Meeting any legal obligations.

We may share your personal data:

- With government agencies, public authorities, other Allianz Group companies, other insurers, co-insurers, re-insurers, insurance intermediaries/brokers and banks;
 - With other service providers who perform business operations on our behalf;
 - With advertisers to send you communications that may be of interest; and
 - To meet any legal obligations.
-

Your choices and rights

Where permitted by applicable laws, you have certain rights in respect of your personal data. You can:

- Request access and learn more about how it is processed and shared;
 - Request that we restrict any processing concerning you, or withdraw your consent where you previously provided this;
 - Request that we stop processing it, including for direct marketing;
 - Request that we update it or delete it from our records;
 - Request that we provide it to you or to a new insurer; and
 - To file a complaint.
-

Storage

We will retain your personal data for as long as it is needed for the purposes we have informed you of.
